Olympic Dart League Equalizer Finals

Bremerton, WA

The handicap trios has proven to be successful again! With the spot darts being adjusted throughout the season and at the finals, everyone was given a fair chance to shoot like a master. The players are really enjoying the exclusive 6-week Equalizer League because there isn't a maximum rating required to be competitive.

The spring season finals were hosted by Hank's Country Inn. The winners received division plaques, trophies, and cash.

Congratulations to *Chris Alexander* for winning Most Valuable Player in the Equalizer Handicap League! The finals were won by:

- 1st—19th Hole R/L, Roliningm
Mike Deno, Randy Payne, Mickey Payne & Laura Deno
- 2nd—American Legion #149, Deadstroke
Chris Alexander, Trish Alexander & Taz Sandoval

Our fall season started in September. Thanks to all the dart players and sponsors for their support.

W.C.E.D.A. #1 In Washington County!

Washington County

Hello again from W.C.E.D.A. No one can say we're not #1 in Washington County with over 20 new taverns coming in from the Brand X Leagues of our area. We're looking forward to having over 200 teams in our leagues this fall with the county's originator of Combo Leagues, our Monday Night Combo Leagues, Tuesday Night Wild Card Cricket Leagues, and now a Two-Shooter Magnum Air Dart League. Also, our famous 301 Leagues on Wednesday, Thursday Night Cricket Leagues, and even a Sunday afternoon Combo League for those who can't get off work in the evenings.

We put all of this together with America's #1 selling light beer, Bud Light, from Deblasio Beverage, along with Coca-Cola distributed locally by the Cameron Bottling Co. What a great team! Then as if that wasn't enough, we stirred in Breezer's by Bacardi, R.T. Bell Screen Printing, J & M Competition Darts, and Hungry Jose's Catering. All that with four year veteran dart coordinator *Mel Hatfield* and our new coordinator *Tom Baker* in your corner and you can't lose!

Well I guess I can't say enough about what a great job they're all doing, so here are the results of our latest dart adventure—the '96 Spring leagues. We will see some of you darters in Dubois, PA, October 11!

Teams can be made up of family, friends, rival departments at work, or better yet, sign up your bosses and beat them! We have leagues all over the Twin City metro area so there's no excuse why you can't join. Get out, have a drink, relax with a few friends, and have a good time! You know what they say, "Time flies when you're having fun". Don't forget how long winters in Minnesota can be. So let the time and the darts fly. Sharp Shooter Dart League

Commerce, OK

July 27th ended another Cricket season in the **Sharp Shooter Dart League**. A banquet was held at the Westside Side Bar in Commerce. It was a good day of food, play-offs, tourneys, trophies, medals, cash, and beer. Thanks to *Dave*, of Grissom Dist., for the kegs of Miller Lite. On this day, individual results were determined. The 13th of July our team play-offs were held at the Spotted Cow Tavern giving us our results on our top three teams.

With each season it gets tougher because we have many very good dart players. Our fall and winter leagues will form soon, and Sharp Shooter Darts hopes everyone will sign up for another good season. Thanks to everyone and good darts!

Felix & Oscar's 1st Annual \$ummer \$upper \$hoot

Des Moines, IA

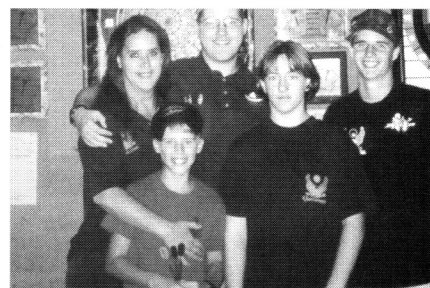

I was thrilled and honored at the Que & Feather's Summer Splash in Sioux City, when I was invited to bring my youth dart shooters to the **Felix & Oscar's Tournament** in Des Moines, in August. I didn't think we would be able to attend because of the expense. But, I was able to collect enough money from sponsors, with the help of *Wanda Minor*, one of my youth player's mom, and *Bob Quest*, known by the kids as "Uncle Bob". We were able to take four youth players: *Jonah Chinn* (11), *Joanie Minor* (13), *Marty Pottebaum* (15) and *Joshua Bartz* (15). We arrived at the tournament around 9 a.m. From the moment we walked in, we were surrounded by welcomes and the friendliest people I have ever met. I was immediately greeted by two employees, *Kelly Woods* and *Mark* (whom I immediately claimed as my little buddy). They introduced me to one of the owners, *Tom M.* From that point on, we were treated so good I almost didn't want to leave on Sunday.

I was a little nervous enroute to Des Moines about how people might react about four kids being in the tournament. My fears were soon gone as people came and welcomed us all day. I developed a big head because before the tournament concluded, I lost count of how many people came to me and complimented me on how well the kids shot, what good sportsmanship they showed, and how polite they were. My heart was swollen with pride as their director. I was amazed and touched by these won-

derful people as they donated money for quarters, pop, entry fees, etc. I was even more moved when later in the afternoon the kids and I were called to the center court where *Alan Russell* presented each of us with appreciation plaques purchased with money they collected before the tournament. Needless to say, we had a great time, and it was hard to say goodbye on Sunday when it was time to head home. As we traveled home *Marty* said to me, "Even though I didn't win, I had the best time of my life". The others agreed. The kids learned a lot from all the pros. The rest of the trip home ended in a discussion on what they all learned and who were their favorite pros. Also, as each one of the kids were eliminated, they were congratulated by their opponents and told what a good game they played. *Ray Terronez* held a mini tourney for them. He also gave them the trophies he won.

In closing, I would like to say there are no words to express the gratitude I have for the many wonderful people and the things you all did for my kids. Special thanks to *Bob* and *Karen Quest*. Without

Becky Cornwell, Marty, Josh, Jonah & Joanie

them we wouldn't be able to have a youth league which has grown from eight kids to over 40 in the five years that I have been their director. God Bless You All!

New York City Pub Crawl

Manhattan, NY

There are 8 million stories in that naked city...here is just one more. On July 31, *Bob Herman*, of **Ace Amusements**, sponsored a Dart Pub Crawl in a few venues in the city that never sleeps. Exhibition shooting and challenge matches were held with the A-Team's *Bob Mills*. Local darters and a group from the New Jersey Dart Association, led by *Bucky Bakalec*, had fun while competing. Prizes of darts, shirts, hats, and English Mark Dart jackets were awarded to the players.

Ace Amusements wishes to thank the Jolly Roger and Politically Correct for hosting these events. Any tavern wanting to get involved in **Ace's** dart program can call 718-859-4242.
